ARTICLE 2. ARCHITECTURAL REVIEW

Section 2.1 *Composition of ARC; Appointment and Authority of Representative.*

2.1.1 The ARC will consist of three (3) or more natural persons as provided herein. The Declarant shall have the authority to appoint the members of the ARC during the period set forth in Section 7.3.2 hereof. Thereafter, the governing board of the District shall have the authority to serve as, or to appoint the members of, the ARC. The power to “appoint” the ARC, as provided herein, shall include without limitation the power to: constitute the initial membership of the ARC; appoint member(s) to the ARC on the occurrence of a vacancy therein, for whatever reason; and remove any member of the ARC, with or without cause, at any time, and appoint the successor thereof. Each such appointment may be made for such term(s) of office, subject to the aforesaid power of removal, as may be set from time to time in the discretion of the entity which then as the power to appoint the ARC.

2.1.2 The ARC may at any time, from time to time, with the consent of the entity then authorized to appoint the members of the ARC, appoint a representative to act on its behalf. If the ARC does so, then the actions of such representative shall be the actions of the ARC, subject to the right of appeal as provided below. However, if such representative is appointed by the ARC, then the ARC shall have full power over such representative, including without limitation the power to at any time withdraw from such representative any of such representative’s authority to act on behalf of the ARC and the power to at any time remove or replace such representative, subject to the approval of the entity which then has the authority to appoint the ARC.

Section 2.2 *Architectural Review Requirements; Authority of ARC.*

2.2.1 Except as provided in Sections 2.3, 2.14 and 2.15 of this Declaration, no Improvement may be constructed, erected, placed, altered, planted, applied, installed or modified upon any Lot, unless the Improvement is in full compliance with all provisions of this Declaration, the Design Guidelines and/or the Rules and Regulations. Prior to constructing, erecting, placing, altering, planting, applying, installing or modifying an Improvement upon any Lot, the Owner of the Lot must submit plans and specifications of the proposed Improvement to the ARC for review and consideration, and then receive approval in writing from the ARC, all in accordance with the Governing Documents.

2.2.2 The ARC shall endeavor to exercise its reasonable judgment in an attempt to provide for each proposed Improvement to generally harmonize with the existing surroundings, residences, landscaping and structures.

2.2.3 The Design Guidelines and/or the Rules and Regulations may provide for the payment of a fee to accompany each request for approval of any proposed Improvement submitted to the ARC. Any such fee shall be uniform for similar types of proposed Improvements or shall be determined in any other reasonable manner. Additionally, in its review of such plans, specifications and other materials and

information, the ARC may require that the Owner reimburse the ARC for the actual expenses incurred by the ARC in the review and approval process. Such fee and amounts, if any, shall be the personal obligation of the Owner requesting approval from the ARC and shall be part of the District's lien as described in Section 6.5.3.5 and shall be collectible by the District in the same manner as other fees authorized to be charged and collected by the District pursuant to Colorado law.

Section 2.3 *Design Guidelines.*

During the period set forth in Section 7.3.2 hereof, the Declarant shall have the authority to enact, issue promulgate, modify, amend, repeal, and re-enact the Design Guidelines. Thereafter, the governing board of the District shall have such authority. Without limiting the generality of the foregoing, such provisions may contain guidelines to clarify the types of designs and materials that may be considered in design approval, may state requirements for submissions in order to obtain review by the ARC, may state procedural requirements, or may specify acceptable Improvements that may be installed without prior approval of the ARC. The Design Guidelines may permit the District to send demand letters and notices, levy and collect Fees, Fines and interest, and negotiate, settle and/or take any other actions with respect to any violation or alleged violation of any of the Governing Documents. Any Design Guidelines so adopted shall be consistent, and not in conflict, with this Article and this Declaration. In addition, the Design Guidelines may provide for blanket approvals, interpretations, or restrictions. By way of example, and not by way of limitation, the Design Guidelines may state that a certain type of screen door will be acceptable and will not require approval, or may state that only one or more types of fences are acceptable and no other types will be approved.

Section 2.4 *Procedures.*

The ARC will review and approve in writing (which may be with conditions and/or requirements), or disapprove, each request for architectural approval within thirty (30) days after the complete submission to the ARC of the plans and specifications and other materials and information which the ARC may require in conjunction therewith in accordance with the design review procedures set forth in the Design Guidelines. If the ARC fails to review and approve in writing (which may be with conditions and/or requirements), or disapprove, a request for architectural approval within thirty (30) days after the complete submission of the plans and specifications and other information requested with respect thereto, such request is deemed denied by the ARC.

Section 2.5 *Vote and Appeal.*

The affirmative, majority vote of the ARC is required to approve a request for approval pursuant to this Article (which may be with conditions and/or requirements), unless the ARC has appointed a representative to act for it, in which case the decision of such representative shall control. In the event a representative acting on behalf of the ARC decides a request for architectural approval which is adverse to the Owner, then the Owner shall have the right to appeal such decision to the full ARC, upon a written request therefor submitted to the ARC within thirty (30) days after such decision by the ARC's representative. In the event the ARC

denies a request for architectural approval which is adverse to the Owner, whether upon appeal by an Owner from a decision of a representative acting on behalf of the ARC or otherwise, then the Owner shall have the right to appeal such decision to the governing board of the District, upon a written request therefor submitted to the governing board of the district within thirty (30) days after such decision by the ARC.

Section 2.6 *Prosecution of Work After Approval.*

After approval (which may be with conditions and/or requirements) of any proposed Improvement, the Owner is required to complete and construct the Improvement promptly and diligently, and in complete conformity with all conditions and requirements of the approval and any provision of the Design Guidelines relating to construction. Except for the Declarant or a Builder, failure to complete the proposed Improvement within twelve (12) months after the date of approval of the application (the “**Completion Deadline**”), or to complete the Improvement in complete conformance with the conditions and requirements of the approval, constitutes noncompliance with the provisions of this Declaration; provided, however, that the ARC may grant extensions of time for completion of any proposed Improvements, either (a) at the time of initial approval of such Improvements, or (b) upon the request of any Owner, provided such request is delivered to the ARC in writing; and provided that the Owner is diligently prosecuting completion of the subject Improvements or other good cause exists at the time such request is made.

Section 2.7 *Inspection of Work.*

The ARC, the District, and the Enforcement Committee, if any, and/or any duly authorized representative of the same, has the right to inspect any Improvement at any time, including prior to or after completion, to determine whether or not the Improvement is being completed or has been completed in compliance with the approval granted pursuant to this Article.

Section 2.8 *Notice of Noncompliance.*

If, as a result of inspections or otherwise, the District, the ARC, or the Enforcement Committee, if any, determines that any Improvement has been constructed without obtaining all required approvals (which may be with conditions and/or requirements), or was not constructed in substantial compliance with the approval that was granted, or has not been completed by the Completion Deadline, subject to any extensions of time granted pursuant to Section 2.6 hereof, then the District or the Enforcement Committee, if any, will notify the Owner in writing of the non-compliance, specifying the particulars of the noncompliance (“**Notice of Noncompliance**”).

Section 2.9 *Correction of Noncompliance.*

If it has been determined that a non-compliance exists, the Owner responsible for such non-compliance must remedy or remove the same, and return the subject property or structure to a condition acceptable to the District or the Enforcement Committee, if any, within the period specified in the Notice of Noncompliance. The District may, at its option, record a notice of

non-compliance against the Lot on which the non-compliance exists, may impose Fees, Fines, penalties and interest, may remove the non-complying Improvement, or may otherwise remedy the non-compliance, and the Owner responsible for such non-compliance shall reimburse the District, upon demand, for all Fees, Fines, penalties, interest, costs and expenses, as well as anticipated costs and expenses, with respect thereto. Such Fees, Fines, penalties, interest, costs and expenses shall be the personal obligation of the Owner and shall be part of the District's lien as described in Section 6.5.3.5 and shall be collectible by the District in the same manner as other fees authorized to be charged and collected by the District pursuant to Colorado law.

Section 2.10 *Access Easement.*

The Declarant hereby reserves, and each Owner hereby grants to the District, the ARC, and the Enforcement Committee, if any, including the agents, representatives, employees and contractors of the Declarant, the District, the ARC and the Enforcement Committee, if any, and each such Person on, over, under and across each Lot, excluding any habitable structure and the interior of any residence thereon, easements for performing any of the actions contemplated in the Governing Documents, including inspections and enforcement of each of the terms and provisions of the Governing Documents. The rights and easements granted in this Section may be exercised only during reasonable hours after reasonable notice to the Owners of any affected Lot; except that no such notice is required (i) in connection with any exterior, non-intrusive inspections and maintenance; and (ii) in emergency situations.

Section 2.11 *No Liability.*

Neither the Declarant, the ARC, the District, the Enforcement Committee, if any, or any member, director, officer, agent, representative, employee or contractor of any the same (the "**Released Parties**") are liable or shall be liable to any Person by reason of any action, failure to act, approval (which may be with conditions and/or requirements), disapproval, or failure to approve or disapprove, in regard to any matter whether for damage or in equity. In reviewing or approving any matter, the Released Parties are not responsible for any issue related to the Improvements, whether structural or otherwise, and whether submitted for review or otherwise. The Released Parties are not responsible for any matter related to safety. The Released Parties are not responsible for the conformance of Improvements with applicable law or compliance with any other standard or regulation, and any approval (which may be with conditions and/or requirements) of any Improvement by the ARC will not be deemed an approval of any such matters, will not be deemed to represent that the Improvement conforms to applicable law or complies with any other standards or regulations, and will not constitute a warranty by the ARC to any Owner of the adequacy of design, workmanship or quality of such work or materials for any Owner's intended use. The ARC will not make any investigation into title, ownership, easements, rights-of-way, or other rights appurtenant to property with respect to architectural requests and shall not be liable for any disputes relating to the same. No Owner or other Person is a third party beneficiary of any obligation imposed upon, rights accorded to, action taken by, or approval granted by, the Released Parties. Each Owner (i) waives and releases the Released Parties from all claims related to approval or disapproval of any Improvements and (ii) waives and releases all claims against the Released Parties. The foregoing release and waiver is made by each Owner to the fullest extent permitted by the law and for and on behalf of itself, its

assigns, executors, heirs, occupants, personal representatives, representatives, and successors. The ARC members, acting in that capacity, shall not be liable for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct or bad faith. The ARC members, acting in that capacity, have no personal liability with respect to any contract or other commitment made or action taken on behalf of the ARC.

Section 2.12 *Variance.*

The ARC may, but under no circumstances is obligated to, grant reasonable variances or adjustments from any conditions and restrictions imposed by this Article, Article 3 of this Declaration as applicable, or any Design Guidelines promulgated hereunder, in order to overcome practical difficulties or prevent unnecessary hardships arising by reason of the application of any such conditions and restrictions. Such variances or adjustments will be granted in the ARC's sole discretion and may only be granted if such variance does not impose a material detriment or injury to the other property or improvements within the Property and does not militate against the general intent and purpose hereof. However, any variance that may be granted under this Section is only a variance from the requirements of the applicable Governing Document provisions for the individual Owner, and is not a variance from the requirements of any applicable governmental or quasi-governmental agency or entity. No granting of a variance or adjustment to any one Owner shall constitute a variance or adjustment, or the right to a variance or adjustment, to any or all other Owners.

Section 2.13 *Waivers; No Precedent.*

The approval or consent of the ARC, or any representative thereof, to any application for approval does not constitute a waiver of any right to withhold or deny approval or consent by such Person, or any Person, as to any application or other matters whatsoever as to which approval or consent may subsequently or additionally be required. Nor shall any such approval or consent be deemed to constitute a precedent as to any other matter. Any changes in plans and specifications previously approved by the ARC must be reviewed and approved by the ARC in the same manner as the initial plans and specifications.

Section 2.14 *Declarant's and District's Exemption.*

Notwithstanding anything to the contrary, the Declarant and the District are exempt from this Article and all provisions of this Declaration that require ARC review and/or approval.

Section 2.15 *Builders Exemption.*

Notwithstanding anything to the contrary, as long as, and to the extent that, a Builder has received written architectural approval from the Declarant, such Builder shall, as to Declarant-approved Improvements, be exempt from this Article and all provisions of this Declaration that require ARC review and/or approval.

ARTICLE 3. RESTRICTIONS

Section 3.1 *Restrictions Imposed.*

The Lots shall be held and shall henceforth be sold, conveyed, used, improved, occupied, owned, resided upon and hypothecated, subject to the following provisions, conditions, limitations, restrictions, agreements and covenants, as well as those contained elsewhere in this Declaration and in the Governing Documents.

Section 3.2 *Residential Use.*

Each Lot shall be used for residential use only, including uses which are customarily incident thereto, and not for business, commercial or professional purposes. Notwithstanding the foregoing, Owners or tenants may conduct business activities upon their Lot if all of the following conditions are satisfied:

3.2.1 The business conducted is clearly secondary to the residential use of the home constructed on the Lot and is conducted entirely within the home;

3.2.2 The existence or operation of the business is not detectable from outside of the home by sight, sound, smell or otherwise, or by the existence of signs indicating that a business is being conducted (other than as may be permitted by the Design Guidelines and approved by the ARC);

3.2.3 The business does not result in an undue volume of traffic or parking within the Property;

3.2.4 The business conforms to all zoning requirements and is lawful in nature; and

3.2.5 The business conforms to any Rules and Regulations that may be imposed from time to time on a uniform basis to protect the peace, tranquility and quality of the Property.

Section 3.3 *Household Pets.*

No animals, livestock, birds, poultry, reptiles or insects of any kind shall be raised, bred, kept or boarded in or on the Lots; provided, however, that a reasonable number of dogs, cats, or other domestic animals which are bona fide household pets may be kept on a Lot, so long as such pets are not kept for any commercial purpose and are not kept in such number or in such manner as to create a nuisance to any resident of the Property. When off the pet owner's Lot, pets must be on a leash and under control. Feces left by pets upon any District property or on any Lot other than that of the pet owner must be removed promptly by the owner of the pet or the person responsible for the pet. The District shall have, and is hereby given, the right and authority to determine in its sole discretion that any dog(s), cat(s), or other household pet(s) are being kept for commercial purposes or are being kept in such number or in such manner as to be

unreasonable or to create a nuisance; or determine that an Owner is otherwise in violation of the provisions of this Section. In any of the foregoing instances, the District may take such action or actions as it deems appropriate to correct the same, including the right to require removal of the pet from the Property. The right to keep household pets shall be coupled with the responsibility to pay for any damage caused by such pets, as well as any costs incurred by the District as a result of such pets.

Section 3.4 *Temporary Structures; Unsightly Conditions.*

Except as hereinafter provided, no structure of a temporary character, including but not limited to a house, trailer, tent, shack, storage shed, or outbuilding shall be placed or erected upon any Lot without the prior written approval of the ARC; provided, however, that during the actual construction, alteration, repair or remodeling of a structure or other Improvements, necessary temporary structures for storage of materials may be erected and maintained by the Person doing such work. The work of constructing, altering or remodeling any structure or other Improvements shall be prosecuted diligently from the commencement thereof until the completion thereof.

Section 3.5 *Miscellaneous Improvements.*

3.5.1 No advertising or signs of any character shall be erected, placed, permitted, or maintained on any Lot other than a name plate of the occupant and a street number, and except for a "For Sale," "Open House," "For Rent," or security sign(s) of not more than a total of five (5) square feet each; except that signs advertising garage sales, block parties, or similar community events, or political signs, may be permitted if the same are in accordance with the Design Guidelines or have been submitted to the ARC for review and approval prior to posting of such signs.

3.5.2 Notwithstanding the foregoing, reasonable signs, advertising, or billboards used by the Declarant and/or any Builder (with the written consent of the Declarant) in connection with the sale or rental of Lots, or otherwise in connection with development of or construction on the Lots, shall be permissible.

3.5.3 No wood piles or storage areas shall be located on any Lot as to be visible from a street or from the ground level of any other Lot.

3.5.4 No types of refrigerating, cooling or heating apparatus shall be permitted on a roof, except as approved by the ARC subject to any provisions of the Design Guidelines. No such apparatus shall be permitted elsewhere on a Lot except when appropriately screened and approved by the ARC subject to any provisions of the Design Guidelines.

3.5.5 "Permitted Antennas" are defined as (a) an antenna which is less than one meter in diameter and is used to receive direct broadcast satellite service, including direct-to-home satellite services, or is used to receive or transmit fixed wireless signals via satellite; (b) an antenna which is less than one meter in diameter and is used to

receive video programming services via multipoint distribution services, including multichannel multipoint distribution services, instruction television fixed services, and local multipoint distribution services or is used to receive or transmit fixed wireless signals other than via satellite; (c) an antenna which is designed to receive broadcast television broadcast signals; or (d) other antennas which are expressly permitted under applicable federal statutes or regulations. In the event a Permitted Antenna is no longer expressly permitted under applicable federal statutes or regulations, such antenna will no longer be a Permitted Antenna for purposes of this Section.

Permitted Antennas shall be installed in the least conspicuous location available on a Lot which permits acceptable signals, without unreasonable delay or increase in the cost of installation, maintenance or use of the Permitted Antenna. The Design Guidelines or the Rules and Regulations may contain provisions regarding location and installation of Permitted Antennas, subject to limitations of applicable federal law. Except as allowed by federal statutes and regulation, no exterior television or any other antennae, microwave dish, satellite dish, satellite antenna, satellite earth station or similar device of any type shall be erected, installed or maintained on a Lot.

3.5.6 No fences shall be permitted except, subject to any provisions of the Design Guidelines, with the prior written approval of the ARC, and except such fences as may be constructed, installed or located by the Declarant (or a Builder with the consent of the Declarant) in its development of, or construction of Improvements on, the Property.

3.5.7 No wind generators, clotheslines (except for retractable clotheslines which comply with any reasonable aesthetic regulations contained in the Design Guidelines), drying yards, or service yards shall be constructed, installed, erected or maintained on any Lot.

Section 3.6 *Vehicular Parking, Storage and Repairs.*

3.6.1 Except for parking on the public streets, which shall be controlled by the City of Wheat Ridge or Jefferson County, Colorado, as applicable, all parking within the Property shall be regulated by the District.

3.6.2 The following (as may be further defined in the Rules and Regulations) may not be parked or stored on a Lot unless such parking or storage is within a garage on a Lot, or unless authorized in writing by the District: oversized vehicles, commercial vehicles, trailers, camping trailers, boat trailers, hauling trailers, boats or accessories thereto, self-contained motorized recreational vehicles, or other oversized types of vehicles or equipment as prohibited by the Rules and Regulations. The foregoing may be parked as a temporary expedience for loading or delivery of goods or services. This restriction shall not apply to trucks or other commercial vehicles temporarily located within the Property which are necessary for construction or for the maintenance of any property owned and/or maintained by the District or the Lots, or any improvement located thereon.

3.6.3 No abandoned, inoperable, or unlicensed automobiles or vehicles of any kind shall be stored or parked on a Lot unless parked or stored within a garage. An "abandoned or inoperable vehicle" shall be defined as any vehicle which has not been driven under its own propulsion for a period of two weeks or more.

3.6.4 No motor vehicle may impede the safe and efficient use of streets within the Property by Owners and/or Occupants, obstruct emergency access to/from the Property or interfere with the reasonable needs of other Owners and/or Occupants to use their driveway, streets, or guest parking within the Property.

3.6.5 No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting, or servicing of any kind of vehicle, trailer or boat, may be performed or conducted outside of garages in the Property. This provision shall not be deemed to prevent washing and polishing of a vehicle, together with those activities normally incident and necessary to such washing and polishing. Minor repairs may be performed, provided they may be completed the day commenced, there is no damage (e.g., oil, residue) to paved areas, and all equipment and parts are removed upon completion of the work. No vehicles may be left unattended on jacks or jack stands.

3.6.6 Parking in fire lanes (as designated by the District or as designated by local government or a local fire protection authority), including garage access areas and alleys, shall not be permitted.

3.6.7 If any vehicle is parked in violation of this Section or in violation of the Rules and Regulations, the District or the Enforcement Committee, if any, may place a notice on the vehicle specifying the nature of the violation and stating that after forty-eight (48) hours the vehicle may be towed or booted. The notice shall include the name and telephone number of a person to contact regarding the alleged violation. A notice also shall be conspicuously placed within the Property stating the name and telephone number of the Person which will do the towing and/or booting hereunder. If forty-eight (48) hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six months of such notice, the vehicle may be towed or booted in accordance with the notice, without further notice to the vehicle owner or user, and the owner thereof shall be solely responsible for all towing and storage charges.

3.6.8 Notwithstanding the above Section 3.6.7, if a vehicle is parked in a fire lane, is blocking another vehicle or access to another Owner's or Occupant's Lot, is obstructing the flow of traffic, or otherwise creates a hazardous condition, no notice shall be required and the vehicle may be towed or booted immediately.

3.6.9 If a vehicle is towed or booted in accordance with this Section, neither the District, the Enforcement Committee, if any, nor any officer or agent of the District or the Enforcement Committee, if any, shall be liable to any Person for towing and storage costs or for any claim of damage as a result of the towing or booting activity. The District's right to tow or boot is in addition to, and not in limitation of all other rights of the District, including the right to assess fines. Notwithstanding anything to the contrary in

this Section 3.6, the District may elect to impose fines or use other available sanctions, rather than exercise its authority to tow or boot.

Section 3.7 *Nuisances.*

No Owner or Occupant will permit a nuisance on his or her Lot. Owners and Occupants will not permit any use, activity or practice which interferes with the peaceful enjoyment or possession and proper use of any Lot. This Section does not apply to the activities of the Declarant, a Builder or the District.

Section 3.8 *No Hazardous Materials or Chemicals.*

No hazardous materials or chemicals may be located, kept or stored in, on or at any Lot except in products normally kept at homes for use of the residents or occupants thereof and in such limited quantities so as not to constitute a hazard or danger to person or property. This Section does not apply to the activities of the Declarant, a Builder or the District.

Section 3.9 *No Annoying Lights, Sounds or Odors.*

No light shall be emitted from any Lot which is unreasonably bright or causes unreasonable glare; no sound shall be emitted from any Lot which is unreasonably loud or annoying; and no odor shall be permitted from any Lot which is noxious or offensive to others. Any exterior lighting installed or maintained on a Lot or any Improvement thereon shall either be indirect or of such controlled focus and intensity so as not to disturb the residents of adjacent or nearby property.

Section 3.10 *Restrictions on Trash and Materials.*

No refuse, garbage, trash, lumber, grass, shrubs or tree clippings, plant waste, metal, bulk materials, scrap or debris of any kind shall be kept, stored, or allowed to accumulate except inside a structure on the Lot or unless otherwise screened from view; nor shall such items be deposited on a street, unless placed in a suitable container suitably located solely for the purpose of garbage pickup. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. No garbage or trash cans or receptacles shall be maintained in an exposed or unsightly manner. Trash removal services may be provided by the District on behalf of the residents of the Property and, if so, Owners shall be obligated to utilize the trash removal services provided by the District and shall not be permitted to utilize any trash removal service or company individually. If trash removal services are provided by the District, the governing board of the District may determine the scope, frequency, and all other matters with regard to such trash removal services, and the Owners shall pay their proportionate share, as determined by the governing board of the District.

Section 3.11 *Lots to be Maintained.*

Each Lot shall at all times be kept in a clean, sightly and wholesome condition by the Owner thereof. No trash, litter, junk, boxes, containers, bottles, cans, implements or machinery

shall be permitted to remain upon any Lot except as necessary during the period of construction or as provided in Section 3.10 above. Any damage to or destruction of any structure or Improvement located on a Lot shall be promptly repaired and replaced by the Owner of the Lot, in accordance with this Declaration. "Repaired and replaced," as used in this Section, means restoring the structure or Improvement to substantially the same condition in which it existed immediately prior to such damage or destruction.

Section 3.12 *Leases.*

The term "lease," as used herein, shall include any agreement for the exclusive occupancy of a Lot by any person other than the Owner; provided, however, that for the purposes of this Declaration, leasing shall not include the occupancy of the Lot by the child or parent of an Owner. For purposes of this Declaration, occupancy by a roommate of an Owner who occupies the Lot as such Owner's primary residence shall not constitute leasing. No Owner shall have the right to lease or advertise for each lease such Owner's Lot for periods of less than six (6) months. Vacation rentals, such as rentals through online services or other providers such as VRBO or Airbnb, are prohibited for any length of time. All leases shall provide that the terms of the lease and lessee's occupancy of the leased premises shall be subject in all respects to the provisions of the Governing Documents, and that any failure by the lessee to comply with any of the aforesaid documents, in any respect, shall be a default under the lease.

Section 3.13 *Landscaping.*

Pursuant to separate recorded instruments, and as more fully provided therein, the District shall be responsible for the maintenance of any and all landscaping installed on the Lot and the irrigation system installed on the Lot. Owners shall not make additions, alterations or modifications to the landscaping or the irrigation system on the Lot without the prior written approval of the District. The District may require, as a condition of approval, that any such additions, alterations or modifications shall thereafter be maintained by the Owner of the Lot.

Section 3.14. *Maintenance of and Non-Interference with Grade and Drainage.*

The grading upon each Lot shall be maintained at the slope and pitch fixed by the final grading thereof. No Owner shall interfere in any way with the established drainage pattern over the Lot, from adjoining or other real property. For purposes of this Section, "established drainage" is defined as the drainage which exists at the time final grading on the Lot is completed by the builder of residence or structure on the Lot in accordance with the Property's lot grading plan as approved by the City of Wheat Ridge or Jefferson County, Colorado. Any Owner who changes the established drainage on his or her Lot may void warranties applicable to affected components of the home and shall be liable for all costs and expenses of repairing such changes, or any costs, liabilities, damages or causes of action arising out of such changes. Each Owner shall hold harmless the Released Parties for any and all damage to any party caused by any change to the established drainage on the Owner's Lot.

ARTICLE 4. EASEMENTS

Section 4.1 *Easements.*

In addition to other easements which may be granted or reserved elsewhere in this Declaration, the following Sections describe easements to which the Property is or may be subject.

Section 4.2 *Maintenance, Repair and Replacement, Right of Access and Easement.*

The Declarant declares, establishes, grants, and reserves easements over each Lot in favor of the Declarant, the District, the ARC, and the Enforcement Committee, if any, including each of their respective agents, representatives, contractors and employees, for performing maintenance, repair, or replacement, or other services, and enforcement of any provision in the Governing Documents. The access easements granted in this Section 4.2 may be exercised only during reasonable hours after reasonable notice to the Owner of any affected Lot; provided, however, that no such notice is required in connection with any exterior, non-intrusive maintenance and in emergency situations entry upon a Lot may be made at any time, provided that Owner is notified of impending emergency entry as early as is reasonably possible. The interior of any residence or building is not subject to the easements provided for in this Section 4.2.

Section 4.3 *Easement for Access to District Property.*

If any portion of the Property is developed and subjected to a declaration of covenants, conditions and restrictions and becomes part of a homeowners association governing such portion of the Property, any such declaration shall provide for an easement to all Owners and the District, for access to any property owned by the District which is accessible from property that becomes subject to that declaration and which is thereafter owned by any such homeowners association or which becomes part of the common elements of any such homeowners association.

Section 4.4 *Additional Easements.*

If the Declarant withdraws any portion of the Property from this Declaration, the Declarant shall retain whatever easements are reasonably necessary or desirable across the Property for access to and utility services for the portion of the Property withdrawn.

Section 4.5 *Limitations on Easements.*

The easements established pursuant to this Declaration (a) shall in no way affect, avoid, extinguish, or modify any other covenants, easements, limitations, reservations, or restrictions affecting all or part of the Property recorded prior to this Declaration and (b) shall not be interpreted or construed as preventing or precluding the construction, operation, and use of any Lot which is otherwise permitted by the terms of this Declaration.

Section 4.6 *Recorded Easements.*

In addition to all easements and rights-of-way recorded at the time of or before this Declaration, the Property, and all portions thereof, are subject to the easements shown on any plat of the Property.

Section 4.7 *Party Walls.*

4.7.1 Each Lot shall be deemed to include that portion of a party wall extending from the interior surface of the party wall to the approximate center of the party wall, together with the necessary easements for perpetual lateral and subjacent support, maintenance, repair and inspection of the shared wall, and with equal rights of joint use. In the event of a conflict between the Lot boundary described in this paragraph and the description of the respective Lot(s) on the plat, the description of the Lot(s) on the plat shall control.

4.7.2 No Owner shall have the right to remove or make any structural changes to a party wall that would jeopardize the structural integrity of any residence without complying with the provisions of Article 2 above, as applicable. No Owner shall subject a party wall to the insertion or placement of timbers, beams or other materials in such a way as to adversely affect the party wall's structural integrity. No Owner shall subject a party wall to any use that in any manner whatsoever may interfere with the equal use and enjoyment of the party wall by the other Owner that owns a portion of the party wall.

4.7.3 Should a party wall be structurally damaged or destroyed by the intentional act or negligence of an Owner or such Owner's licensee, invitee or agent (collectively, "**Owner's Agent**"), such Owner shall promptly rebuild and/or repair the party wall, after written notice to the adjacent affected Owner, at their own expense and shall compensate the other Owner for any damages sustained to person or property as a result of such intentional or negligent act.

4.7.4 Should a party wall be structurally damaged or destroyed by causes other than the intentional act or negligence of an Owner or such Owner's Agent, the damaged or destroyed party wall shall be repaired or rebuilt at the joint expense of both Owners owning the party wall, each such Owner to pay an equal share of the cost thereof.

4.7.5 To the extent not inconsistent with the terms and conditions of this Declaration, the general rules of law of the State of Colorado concerning party walls shall be applicable hereto.

4.7.6 Notwithstanding the foregoing provisions of this Section 4.7, if an Owner disputes that a party wall is in need of repair or replacement, then such Owner may submit the dispute to the dispute resolution procedures described in Article 8 below, and the Owner requiring the repair/replacement shall not be permitted to undertake any repair or replacement until the dispute has been resolved in accordance with said Article 8. Nothing contained herein shall obligate the District to undertake any maintenance, repair

or replacement of any party wall, nor to enforce any of the provisions set forth in this Section 4.7 upon any violation of the same by any Owner.

Section 4.8 *Zero Lot Line Easement.*

If any part of a Lot as originally constructed by Declarant or a Builder, including, without limitation, the residence, patios, downspouts, patio fences and window wells (if applicable) encroaches or shall hereafter encroach upon another Lot, the Owner of that Lot shall and does have an easement for the existence of such encroachment and for the maintenance of same. Such easements shall extend for whatever period of time the encroachment shall exist. Such encroachments shall not be considered to be encumbrances upon a Lot. Encroachments referred to herein include unintentional encroachments made by error in original construction of the Lot (including, but not limited to, the residence), by the settling, rising or shifting of the earth, or by changes in position caused by repair or reconstruction of a Lot (including, but not limited to, the residence).

In addition to the foregoing, certain residences may be located so close to their Lot's property line so as to make entry upon an adjoining Lot(s) necessary for the construction, maintenance, repair, replacement and/or reconstruction of such residence (each a "**Zero Lot Line Residence**"). In such event, the Owner of the Zero Lot Line Residence shall have an easement for the construction, maintenance, repair, replacement and/or reconstruction of the Zero Lot Line Residence (each a "**Zero Lot Line Easement**"). The Zero Lot Line Easement shall extend the full length of the adjoining Lot(s), and shall extend into so much of the adjoining Lot(s) as is necessary to provide the Owner of the Zero Lot Line Residence with an easement of such width that, when added to the space lying between the Zero Lot Line Residence and its property line, such easement shall be 6 feet in width. The Owner of the Zero Lot Line Residence shall immediately repair, and be liable to make, full reimbursement for any damages caused by any failure to immediately repair, any damage to the adjoining Lot(s) resulting from use of the Zero Lot Line Easement. Except for the initial construction of a residence (or reconstruction in accordance with the initial plans and specifications for the residence), construction of any structure shall be prohibited within the Zero Lot Line Easement except as otherwise approved by the Owner(s) of the Lot encumbered by the Zero Lot Line Easement (in addition to any other approvals required by Article 2 above).

Section 4.9 *Utility Easement.*

Each Owner shall have easements for the location of any sprinkler lines, utility conduits, pipes and other facilities, components and/or meters servicing a Lot if located in or upon another Lot.

Each Lot shall also have an easement over all other Lots for use of the drainage pattern and drainage system created for the Lots. Such easement includes, but is not limited to, the location of all gutters, downspouts, drainage piping, drainage pans and related facilities whether located above or below grade.

ARTICLE 5. MAINTENANCE

Section 5.1 *General.*

5.1.1 Unless otherwise provided in accordance with any recorded instrument(s) affecting the Lots, the maintenance, repair and replacement of all Improvements on each Lot, including exterior building surfaces, roofs, patios, porches, decks, sidewalks, and driveway aprons on the Lot, shall be performed by the Owner thereof at such Owner's sole cost and expense. Such Owner maintenance expressly includes snow removal from decks, porches, steps, walkways, and driveway aprons, and maintaining and properly sealing of the gas line and air conditioning line on the main floor of each residence. Except as otherwise provided herein or in any other recorded instrument(s) affecting the Lots in relation to maintenance obligations, any Improvements constructed or erected upon the Lot by any Owner after the initial construction of the residence on the Lot by the Declarant or a Builder shall be maintained, repaired and replaced by the Owner of the Lot.

5.1.2. Some of the residences constructed on the Lots may be attached along one or both of the side Lot lines via a party wall, subject to any recorded party wall agreement(s) that may be applicable thereto (each such residence an "**Attached Residence**"). Because the exterior materials and colors used on each such Attached Residence were designed to coordinate and complement one another, careful consideration must be given by the Owners of the Attached Residences in relation to maintaining the overall appearance of any such Attached Residences. The Owners of Attached Residences attached to one another are encouraged to coordinate the maintenance, repair and/or replacement of the exterior building surfaces, including the roof, of such Attached Residences in order to maintain a consistent and uniform exterior appearance. The Declarant or Board of Directors may promulgate Guidelines, as more fully set forth in Section 2.3 of this Declaration, as deemed necessary, advisable or appropriate to ensure that the exteriors of Attached Residences are maintained, repaired and/or replaced in such a uniform and consistent manner.

Section 5.2 *District's Right to Repair, Maintain and Reconstruct.*

In the event any Owner shall fail to perform his or her maintenance, repair and/or reconstruction obligations in a manner satisfactory to the governing board of the District, the District may, if said failure continues for a thirty (30) day period after written notice to the Owner, enter upon said Lot subsequent to the expiration of said thirty (30) day time period to perform any or all of such maintenance, repair or reconstruction. The cost of such maintenance, repair or reconstruction shall be the personal obligation of the Owner of the Lot on which such work is performed and shall be part of the District's lien as described in Section 6.5.3.5 and shall be collectible by the District in the same manner as other fees authorized to be charged and collected by the District pursuant to Colorado law.

Section 5.3 *Owner's Acts or Omissions.*

Notwithstanding anything to the contrary contained in this Declaration, in the event that the need for maintenance, repair or reconstruction of any property owned and/or maintained by the District or any Improvements located thereon, is caused by the act or omission of any Owner, or by the act or omission of any member of such Owner's family or by a tenant, guest or invitee of such Owner, the cost of such repair, maintenance, reconstruction or expense to avoid such damage shall be the personal obligation of such Owner to the extent that said Owner would be liable for the acts of such Persons under the laws of the State of Colorado and shall be part of the District's lien as described in Section 6.5.3.5 and shall be collectible by the District in the same manner as other fees authorized to be charged and collected by the District pursuant to Colorado law. A determination of the act or omission of any Owner, or any member of an Owner's family or a tenant, guest or invitee of any Owner, and the amount of the Owner's liability therefor, shall be made by the governing board of the District after providing the Owner with notice and the opportunity for a hearing.

Section 5.4 *Fences.*

If fences exist on a Lot line separating two Lots, such fence may be maintained by either Owner upon advanced written notice to the other Owner, and both Owners shall share equally in the cost thereof. Except as otherwise undertaken by the District, no material modification may be made to a fence without the agreement of both affected Owners.

ARTICLE 6. COVENANT ENFORCEMENT

Section 6.1 *Enforcement, Generally.*

Subject to Article 8 below, enforcement of the covenants, conditions, restrictions, easements, reservations, rights-of-way, liens, charges and other provisions contained in this Declaration, the Rules and Regulations, the Design Guidelines and any other Governing Documents, as at any time amended, may be by any proceeding at law or in equity against any Persons violating or attempting to violate any such provision, and possible remedies include all of those available at law or in equity. The Declarant and the District have the right, but not the duty, to institute, maintain and prosecute any such proceedings. No remedy shall be exclusive of other remedies that may be available. Subject to the provisions of Article 8 of this Declaration, in any action instituted or maintained under this Declaration or any other such documents, the prevailing party shall be entitled to recover its costs and attorneys' fees incurred in asserting or defending the claim, as well as any and all other sums. Failure by the Declarant, the District, the ARC, and/or the Enforcement Committee, if any, to enforce any covenant, restriction or other provision contained in this Declaration shall in no event give rise to any liability, nor shall such non-enforcement be deemed a waiver of the right to thereafter enforce any covenant, restriction or other provision of this Declaration. Each Owner, by acceptance of title to a Lot, assigns and delegates and consents to the assignment and delegation to the District, in their own name as an Owner of a Lot within the Property, the authority, power, right, and responsibility to enforce the Governing Documents. The foregoing shall include the right of the District to (a) send demand

letters and notices, (b) charge interest and/or late charges, to levy and collect Fines, (c) impose liens (as provided in C.R.S. Section 32-1-1001(j)(1), as amended), (d) negotiate, settle and/or take any other actions, with respect to any violation(s), or alleged violation(s), of any of the Governing Documents, (e) exercise self-help or take action to abate any violation of the Governing Documents, and/or (f) record a notice of violation.

Section 6.2 *Enforcement Committee.*

The governing board of the District shall have the right to establish a committee to enforce the Governing Documents (the “**Enforcement Committee**”) and, upon its establishment, the members of the Enforcement Committee will be appointed and removed by the governing board of the District and shall have the same rights as the District under this Article 6 and as elsewhere set forth in this Declaration in relation to the enforcement of the Governing Documents. The District shall be responsible for the ministerial administration and enforcement of the Governing Documents, and has the right to: (a) accept complaints for violations of the Governing Documents; (b) submit complaints regarding violations of the Governing Documents; (c) inspect the Property for violations of the Governing Documents; (d) issue various notices to Owners regarding the Governing Documents; and (e) provide all ministerial administration and enforcement of the Governing Documents. The governing board of the District shall also have the right to engage such managers or consultants as deemed appropriate or necessary by the governing board of the District to assist with or provide covenant enforcement services.

Section 6.3 *Purpose and General Authority.*

The District or the Enforcement Committee, if any, shall review all complaints and notifications provided by the Declarant, a Builder, an Owner, a resident within the Property, or the ARC regarding any alleged violation of the Governing Documents. The District or the Enforcement Committee, if any, also has the right to make an investigation on its own regarding potential violations. The District or the Enforcement Committee, if any, has the authority to determine whether a violation has occurred by any Owner or Occupant, and upon such determination, may issue to an Owner a notice of violation identifying the particular circumstances or conditions of the violation and require Owner to take such action as may be necessary to correct, remedy or otherwise remove the violation, including the time period in which the violation is to be remedied as further set forth in Section 6.5.

Section 6.4 *Fees and Expenses.*

All expenses of the District or the Enforcement Committee, if any, must be paid by the District with revenues derived from that portion of the Property with respect to which the District’s or the Enforcement Committee’s services are required or performed. The District has the right to charge Fees and Fines for costs of enforcement of the Governing Documents and the costs incurred to correct, remedy or otherwise remedy violations, in amounts which may be established by the District from time to time.

Section 6.5 *General Inspections; Violation Identified by Another Owner; Notice and Hearing; Remedies.*

6.5.1 Any member or authorized agent or consultant of the Enforcement Committee or the ARC, or any authorized officer, director, employee or agent of the District may enter upon any Lot, at any reasonable time after notice to Owner, as more fully provided in Section 4.2, without being deemed guilty of trespass, in order to investigate or inspect any portion of the Property for alleged violations of the Governing Documents.

6.5.2 If (i) an investigation or inspection reveals that any part or portion of a Lot is not in compliance with the Governing Documents or any action is being taken in violation of the Governing Documents, (ii) the ARC has submitted a Notice of Noncompliance with respect to a Lot, or (iii) another Owner or Occupant has submitted a complaint in accordance with the Rules and Regulations, the District or the Enforcement Committee, if any, may send a notice of alleged violation (a “**Notice of Alleged Violation**”) to the Owner of such Lot in accordance with the Rules and Regulations.

6.5.3 If, after receipt of the Notice of Alleged Violation, the Owner fails to remedy the violation within the time period specified in the Notice of Alleged Violation or thereafter violates the same covenant or rule, the District shall have all remedies available to it at law or in equity, including, without limitation, the following remedies and any other remedies set forth herein:

6.5.3.1 The District may record a notice of violation against the Lot on which the violation exists;

6.5.3.2 The District has the right to remove, correct or otherwise remedy any violation in any manner the District deems appropriate;

6.5.3.3 The District may file an action for injunctive relief to cause an existing violation to be brought into compliance with the Governing Documents and the District shall recover all costs and attorneys’ fees associated with bringing the action;

6.5.3.4 The District may levy and collect Fees, charges, penalties and Fines for the violation of any provisions of the Governing Documents. Prior to the imposition of any Fines, the District or the Enforcement Committee, if any, shall give the Owner to be subject to the Fine notice and the opportunity for a hearing before the governing board of District or the Enforcement Committee, if any. The Rules and Regulations may further define the process by which such Fines may be imposed, including but not limited to establishing the schedule of Fines to be imposed.

6.5.3.5 The District may collect, and shall have a statutory perpetual lien pursuant to § 32-1-1001(1)(j)(I), C.R.S. against the Lot subject to the violation to secure, (1) payment for reimbursement by the violating Owner for any remedial work performed by the District to remove, correct or otherwise remedy the violation, (2) payment for expenses incurred in obtaining injunctive relief, including costs and attorneys' fees, (3) payment of any Fines levied by the District against such Lot, plus the following amounts, to the extent not inconsistent with applicable laws, (4) interest on such amount at a rate equal to eighteen percent (18%), and (5) all costs and expenses of collecting the unpaid amount, including, without limitation, reasonable attorneys' fees.

Section 6.6 *No Liability.*

The Released Parties are not liable to any Person by reason of any action, failure to act, approval, disapproval, or failure to approve or disapprove, in regard to any matter whether for damages or in equity. In reviewing any alleged violation, the Released Parties are not responsible for any issue related to the alleged violation. No Owner or other Person is a third party beneficiary of any obligation imposed upon, rights accorded to, action taken by, or approval granted by the Released Parties. Each Owner (i) waives and releases the Released Parties from all claims related to the actions of the Released Parties and (ii) waives and releases all claims against the Released Parties. The foregoing release and waiver are made by each Owner to the fullest extent permitted by the law and for and on behalf of itself, its assigns, executors, heirs, occupants, personal representatives, representatives, and successors. The members of the governing board of the District, the ARC, and the Enforcement Committee members, acting in that capacity, shall not be liable for any mistake of judgment, negligence or otherwise, except for their own individual willful misconduct or bad faith. The members of the governing board of the District, the ARC, and the Enforcement Committee members, acting in that capacity, shall have no personal liability with respect to any contract or other commitment made or action taken on behalf of the District, the ARC and/or the Enforcement Committee, if any.

ARTICLE 7. RESERVED DECLARANT RIGHTS

Section 7.1 *Development Rights.*

The Declarant reserves for itself and its successors and assigns the following rights or combination of rights (the “**Development Rights**”), as more fully provided herein:

- 7.1.1 To add real estate to the Property;
- 7.1.2 To create Lots;
- 7.1.3 To subdivide or replat Lots; or
- 7.1.4 To withdraw real estate from the Property.

The Declarant may exercise its Development Rights in all or any portion of the Property, and no assurances are made as to the boundaries or order of exercise of any such Development Rights.

Section 7.2 *Special Declarant Rights.*

The Declarant reserves for itself the following “**Special Declarant Rights**”: to build and complete Improvements in or on the Property; to exercise any Development Right; to maintain sales offices, construction offices, management offices, and signs advertising the Property and sale of Lots; or to use easements through the Property for the purpose of making Improvements within the Property. All of the Special Declarant Rights may be exercised by the Declarant with respect to any portion of the property now or hereafter within the Property.

Section 7.3 *Period of Declarant’s Rights.*

7.3.1 The Declarant may exercise any or all of its Development Rights set forth in Sections 7.1, 7.4, and 7.5 of this Declaration at any time and from time to time. Such Development Rights shall terminate automatically twenty (20) years from the date of recordation of this Declaration.

7.3.2 The Declaration may exercise any or all of the Special Declarant Rights set forth in Section 7.2 of this Declaration and all other rights granted or reserved to Declarant in this Declaration at any time and from time to time. Such Special Declaration Rights and all other rights granted or reserved to the Declarant, except as provided in Section 7.3.1 of this Declaration, shall automatically terminate at such time as the Declarant no longer owns any of the Property subject to this Declaration.

Section 7.4 *Subdivision or Replatting of Lots.*

The Declarant hereby reserves for itself and its successors and assigns the right to subdivide or replat any Lot(s) owned by the Declarant in the Property. Each such subdivision or replatting may change the number of Lots in the Property. The foregoing reservation includes the right to move any lot lines on Lots for the purpose of accommodating Improvements which are, or may be constructed. The rights reserved to the Declarant in this Section shall terminate automatically as provided in Section 7.3 of this Declaration.

Section 7.5 *Annexation; Withdrawal.*

7.5.1 The Declarant reserves the right to add additional property to the Property and subject the same to this Declaration, so long as Declarant owns the property to be added, or with the consent of the owner of such property if not owned by the Declarant. Each annexation, if any, may be affected by the Declarant by recording an annexation document in the records of the Clerk and Recorder of Jefferson County, Colorado. The rights reserved to the Declarant in this Section shall terminate automatically as provided in Section 7.3 of this Declaration.

7.5.2 The Declarant reserves the right to withdraw the Property, or any portion thereof, including one or more Lots, from this Declaration, so long as the Declarant owns the portion of the Property to be withdrawn, or with the consent of the Owner of the property to be withdrawn if not owned by the Declarant. Each withdrawal, if any, may be affected by the Declarant recording a withdrawal document in the records of the Clerk and Recorder of Jefferson County, Colorado. A withdrawal pursuant to this Section constitutes a divestiture, withdrawal, and deannexation of the withdrawn property from this Declaration so that, from and after the date of recording of a withdrawal document, the property so withdrawn shall not be part of the Property. The rights reserved to the Declarant in this Section shall terminate automatically as provided in Section 7.3 of this Declaration.

Section 7.6 *Rights and Easements of Declarant and Builders.*

Notwithstanding anything to the contrary contained in this Declaration, it shall be expressly permissible and proper for the Declarant and any Builder (but only with the written consent of the Declarant), and their respective employees, agents, and contractors to perform such reasonable activities, and maintain Improvements, tools, equipment, and facilities incidental to development, construction, use, rental, sale, occupancy, and/or advertising on the portion of the Property owned by them in accordance with this Declaration and any other covenants, including, without limitation, any builder covenants, encumbering the Property. The foregoing includes locating, maintaining and relocating management offices, construction offices, signs, model units and sales offices, in such numbers, of such sizes, and at such locations on the portion of the Property owned by such parties. In addition, nothing contained in this Declaration shall limit the rights of the Declarant, or require the Declarant, to obtain approvals:

7.6.1 To excavate, cut, fill or grade any property (with the consent of the Owner thereof), or to construct, alter, demolish or replace any Improvements;

7.6.2 To use any Improvements on any Property (with the consent of the Owner thereof) as a construction, management, model home or sales or leasing office in connection with the development, construction or sale of any property; and/or

7.6.3 To seek or obtain any approvals under this Declaration for any such activity.

ARTICLE 8. ALTERNATIVE DISPUTE RESOLUTION

Section 8.1 *Definitions Applicable to this Article 8.*

For purposes of this Article 8 only, the following terms have the meanings set forth in this Section 8.1:

8.1.1 “JAG” means the Judicial Arbiter Group or any other Person agreed to by the Claimant and Respondent in writing for the purpose of performing the functions of the Judicial Arbiter Group under this Declaration.

8.1.2 “Bound Party” means each of the Persons subject to this Declaration and any Person not otherwise subject to this Declaration who agrees to submit to this Article 8. “Bound Party” expressly includes Declarant, Builders, and the District. Notwithstanding the foregoing, “Bound Party” does not include any of the parties identified in this subsection 8.1.2 if such parties have jointly entered into a separate written agreement providing for dispute resolution applicable to the Claim. In such circumstance, the dispute resolution mechanism set forth in such separate written agreement between such parties shall apply with respect to such Claim unless the parties mutually agree to submit such Claim to the provisions of this Article 8.

8.1.3 “Claimant” means any Bound Party having a Claim.

8.1.4 “Claim” means, except as exempted by the terms of this Article 8, (i) any claim, grievance or dispute between one Bound Party and another, regardless of how the same may have arisen or on what it might be based, including those arising out of or related to the interpretation, application or enforcement of any of the Governing Documents or the rights, obligations and duties of any Bound Party under any of the Governing Documents; (ii) any statements, representations, promises, warranties, or other communications made by or on behalf of any Bound Party; (iii) the location, size, marketing, planning, development, design, sale, construction, maintenance, repair and/or condition of the Lots, including, without limitation, soils; (iv) the Colorado Consumer Protection Act; and/or (v) damages or loss to, or the loss of, real or personal property or personal injury caused by a defect in the design or construction of the Lots.

8.1.5 “Notice” means the written notification given by a Claimant to a Respondent and which shall comply with the requirements of subsection 8.5.1

8.1.6 “Party” means the Claimant and the Respondent individually; “Parties” means the Claimant and the Respondent collectively.

8.1.7 “Respondent” means any Bound Party against whom a Claimant asserts a Claim.

8.1.8 “Termination of Mediation” means a period of time expiring thirty (30) days after submission of the matter to mediation (or within such other time as determined by the mediator or agreed to by the Parties) and upon the expiration of which the Parties have not settled the Claim.

8.1.9 “Termination of Negotiations” means a period of time expiring thirty (30) days after the date of the Notice (or such other period of time as may be agreed upon by the Parties) and upon the expiration of which the Parties have not resolved a Claim.

Section 8.2 *Intent of Article; Applicability of Article; and Applicability of Statutes of Limitation.*

8.2.1 Each Bound Party agrees to encourage the amicable resolution of disputes, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees to submit any Claims to the procedures set forth in Section 8.5.

8.2.2 By acceptance of a deed to a Lot, each Owner agrees to abide by the terms of this Article 8.

8.2.3 Any applicable statute of limitation shall apply to the alternative dispute resolution procedures set forth in this Article 8.

Section 8.3 *Commencement or Pursuit of Claim Against Bound Party.*

8.3.1 A Bound Party may not commence or pursue a Claim against any other Bound Party except in compliance with this Article 8.

8.3.2 Prior to any Bound Party commencing any proceeding to which another Bound Party is a party, the Respondent shall have the right to be heard by the Claimant, and to access, inspect, correct the condition of, or redesign any portion of any Improvement as to which a defect is alleged or otherwise correct the alleged dispute.

Section 8.4 *Claims.*

Unless specifically exempted below, all Claims between any of the Bound Parties are subject to the provisions of Article 8. Notwithstanding the foregoing, unless all Parties otherwise agree, the following are not Claims and shall not be subject to the provisions of this Article 8:

8.4.1 Any action or suit by the District, the ARC, the Enforcement Committee, or the Declarant to enforce any provisions of the Governing Documents, including obtaining a temporary restraining order or injunction (or equivalent emergency equitable relief), collection of any Fees or Fines imposed by the District, and such other ancillary relief as a court may deem necessary;

8.4.2 Any suit between or among Owners, which does not also include the Declarant, a Builder, the District, the ARC, or the Enforcement Committee as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents; and

8.4.3 Any suit in which any indispensable party is not a Bound Party.

Section 8.5 *Mandatory Procedure.*

8.5.1 *Notice.* Prior to proceeding with any Claim against a Respondent, each Claimant shall give a Notice to each Respondent, which Notice shall state plainly and concisely:

8.5.1.1 The nature of the Claim, including all Persons involved and Respondent's role in the Claim;

8.5.1.2 The legal basis of the Claim (i.e., the specific authority out of which the Claim arises) and the proposed remedy; and

8.5.1.3 The fact that Claimant will give the Respondent an opportunity to inspect all property and Improvements potentially involved with the Claim, and that the Claimant will meet with the Respondent within a reasonable time after such inspection to discuss in good faith ways to resolve the Claim.

8.5.2 *Negotiation and Mediation.*

8.5.2.1 The Parties will make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, any Party may appoint a representative to assist the Parties in negotiation.

8.5.2.2 Upon the Termination of Negotiations, the Claimant has thirty (30) days to submit the Claim to mediation under the auspices of JAG in accordance with the rules of JAG in effect on the date of the Notice that is provided for in subsection 8.5.1.

8.5.2.3 If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation, the Claimant waives the Claim, and the Respondent will be released and discharged from any and all liability to the Claimant on account of such Claim.

8.5.2.4 Any settlement of the Claim through mediation must be documented in writing by the mediator and signed by the Parties. If a Termination of Mediation occurs, the mediator must issue a notice of Termination of Mediation. The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that mediation was terminated.

8.5.2.5 Each Party will bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all charges rendered by the mediator.

8.5.2.6 If the Parties agree to a resolution of any Claim through negotiation or mediation and any Party thereafter fails to abide by the terms of such agreement, then any other Party may file suit or initiate arbitration proceedings to enforce such agreement without the need to again comply with the procedures set forth in this Article 8. In such event, the Party taking action to enforce the agreement will recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement, including attorneys' fees and court costs.

8.5.3 *Binding Arbitration.*

8.5.3.1 Upon the Termination of Mediation, if the Claimant desires to pursue the Claim, the Claimant may initiate final, binding arbitration of the Claim under the auspices of JAG in accordance with the rules of JAG in effect on the date of the Notice that is provided for in Section 8.5 of this Declaration. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Claim. Unless otherwise mutually agreed to by the Parties, one arbitrator who has expertise in the areas of dispute, which may include legal expertise if legal issues are involved, will arbitrate the dispute.

8.5.3.2 Each Party shall bear its own costs and expenses and an equal share of the arbitrator's and administrative fees of arbitration. Notwithstanding the foregoing, if a Party unsuccessfully contests the validity or scope of arbitration in a court of law, the arbitrator shall award reasonable attorneys' fees and expenses incurred in defending such contests, including those incurred in trial or on appeal, to the non-contesting Party. All decisions respecting the arbitrability of any Claim shall be decided by the arbitrator.

Section 8.6 *Award.*

The award of the arbitrator must be accompanied by detailed written findings of fact and conclusions of law. Except as required by applicable law or for confirmation of an award, neither Party nor an arbitrator may disclose the existence, content, or results of any arbitration without the prior written consent of all Parties.

Section 8.7 *Conflicts with Law.*

In the event that any provisions of this Article 8 conflict with or do not contain the requirements of Chapter 26, Article XIII, Section 26-1301, et seq. of the Wheat Ridge Municipal Code (the "**Wheat Ridge Ordinance**") as applicable, then the provisions of this Article 8 shall be deemed reformed to the minimal extent necessary to be consistent and compliant with the Wheat Ridge Ordinance. In addition, in the event that any provisions of this Article 8 conflict with any applicable federal or Colorado statutes which provide non-waivable legal rights, including, without limitation, the Colorado Construction Defect Action Reform Act or the Colorado Consumer Protection Act, then the provisions of this Article 8 shall be deemed

reformed to the minimal extent necessary to be consistent and compliant with the applicable federal or Colorado statute.

THE PROVISIONS OF THIS ARTICLE 8 INURE TO THE BENEFIT OF DECLARANT, BUILDERS, THE DISTRICT, AND ALL OTHER PARTIES DESCRIBED IN THIS ARTICLE 8, AND, NOTWITHSTANDING ANY OTHER PROVISION OF THIS COVENANT, SHALL NOT BE AMENDED OR TERMINATED WITHOUT THE WRITTEN AND RECORDED CONSENT OF DECLARANT, WITHOUT REGARD TO WHETHER DECLARANT OWNS ANY LOT AT THE TIME OF SUCH AMENDMENT/TERMINATION. BY TAKING TITLE TO A LOT, EACH OWNER ACKNOWLEDGES AND AGREES THAT THE TERMS OF THIS ARTICLE 8 ARE A SIGNIFICANT INDUCEMENT TO DECLARANT'S AND EACH BUILDER'S WILLINGNESS TO DEVELOP AND SELL THE LOTS AND THAT IN THE ABSENCE OF THE PROVISIONS CONTAINED IN THIS ARTICLE 8, DECLARANT AND EACH BUILDER WOULD HAVE BEEN UNABLE AND UNWILLING TO DEVELOP AND SELL THE LOTS FOR THE PRICES PAID BY THE ORIGINAL BUYERS.

IN THE EVENT THAT A COURT FINDS THAT THE DISPUTE RESOLUTION PROCEDURES SET FORTH IN THIS ARTICLE 8 ARE UNENFORCEABLE AND AS A RESULT A PARTY IS ALLOWED TO BRING A CLAIM IN COURT, ALL PARTIES AGREE THAT ANY LAWSUIT, WHETHER CLAIM OR COUNTERCLAIM, BROUGHT IN COURT SHALL BE TRIED ONLY BY A JUDGE AND NOT BY A JURY; AND EACH PARTY HEREBY KNOWINGLY, VOLUNTARILY, INTENTIONALLY, AND INTELLIGENTLY WAIVES, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT TO A TRIAL BY JURY IN ANY SUCH SUIT.

IN THE EVENT THAT THE PROVISIONS OF THIS ARTICLE 8 CONFLICT WITH ANY MANDATORY PROVISIONS OF APPLICABLE LAW, THE PROVISIONS OF THIS ARTICLE 8 SHALL BE REVISED TO THE MINIMUM EXTENT NECESSARY TO COMPLY WITH THE MANDATORY PROVISIONS OF SUCH LAWS.

ARTICLE 9. GENERAL PROVISIONS

The Rules and Regulations, if any, may impose additional restrictions affecting, concerning and governing the Lots and/or the Property not otherwise provided for herein, and may state procedural requirements, interpretations, clarifications and applications of any provision(s) of this Declaration or the Design Guidelines and law, including blanket requirements, blanket interpretations, and blanket applications. The Rules and Regulations may vary for different types of Lots. Any Rules and Regulations that are adopted shall be in accordance with, and shall not be inconsistent with or contrary to, this Declaration and all provisions hereof.

Section 9.4 *Minor Violations of Setback Restrictions.*

If upon the erection of any structure or Improvement, it is disclosed by a survey that a minor violation or infringement of setback lines has occurred, such violation or infringement shall be deemed waived by the Owners of each Lot immediately adjoining the structure which is in violation of the setback, and such waiver shall be binding upon all other Owners. However, nothing contained in this Section shall prevent the prosecution of a suit for any other violation of this the Governing Documents, if any. A “minor violation,” for the purpose of this Section, is a violation of not more than four (4) feet beyond the required setback lines or Lot lines. This provision shall apply only to the original structures and shall not be applicable to any alterations or repairs to, or replacements of, any of such structures.

In addition, any amendment to Article 8 of this Declaration or to any provision affecting the rights

granted or reserved to the Declarant shall also require the written consent of the Declarant.

9.5.2 Notwithstanding anything to the contrary contained in this Declaration, this Declaration may be amended in whole or in part, at any time from time to time, by the Declarant without the consent or approval of any other Owner or any other Person, in order to correct clerical, typographical or technical errors. Such right of amendment shall terminate automatically as provided in Section 7.3 of this Declaration.

9.5.3 No action to challenge the validity of this Declaration may be brought more than one year after the recording of this Declaration. Further, no action to challenge the validity of any amendment to this Declaration may be brought more than one year after the recording of such amendment.

Section 9.6 *Notices.*

Otherwise, an Owner shall register his mailing address with the District, and any notice, statement, demand, document or record intended to be delivered upon an Owner must be sent by U.S. mail, postage prepaid, addressed in the name of such Person at such registered mailing address. If any Owner fails to notify the District of a registered address, then any notice, statement, demand, document or record may be delivered or sent to such Owner at the address of such Owner's Lot.

Section 9.7 *Limitation on Liability.*

The Declarant, the District, the ARC, the Enforcement Committee, if any, and their respective directors, officers, shareholders, members, partners, agents and employees, shall not be liable to any Person for any action or for any failure to act arising out of the Governing Documents, if any, unless the action or failure to act was not in good faith and was done or withheld with malice. Further, neither the District, the ARC, nor the Enforcement Committee waives, and no provision of this Declaration is a waiver of, the immunities and limitations to which the District, the ARC and the Enforcement Committee, if any, have as a matter of law, including the Colorado Governmental Immunity Act, §24-10-101, et seq. Section 9.9 *Disclaimer Regarding Safety.*

THE DECLARANT, EACH BUILDER, THE DISTRICT, THE ARC, THE ENFORCEMENT COMMITTEE, IF ANY, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, SHAREHOLDERS, MEMBERS, PARTNERS, AGENTS AND EMPLOYEES, HEREBY DISCLAIM ANY OBLIGATION REGARDING THE SECURITY OF ANY PERSONS OR PROPERTY WITHIN THE PROPERTY. BY ACCEPTING A DEED TO A LOT WITHIN THE PROPERTY, EACH OWNER ACKNOWLEDGES THAT THE FOREGOING ARE OBLIGATED TO DO ONLY THOSE ACTS SPECIFICALLY ENUMERATED IN THIS DECLARATION, IF ANY, AND ARE NOT OBLIGATED TO DO ANY OTHER ACTS WITH RESPECT TO THE SAFETY OR PROTECTION OF PERSONS OR PROPERTY WITHIN THE PROPERTY.

Any such contractors shall be engaged under the sole direction and of control of the District.

Section 9.18 *Exemption.*

Notwithstanding anything in this Declaration to the contrary, (a) neither the Declarant, nor any of its activities shall in any way be subject to the control of, or under the jurisdiction of the District, the ARC or the Enforcement Committee, if any (including any Design Guidelines or Rules and Regulations), nor shall the Declarant be required to seek the approval or consent of the District, the ARC or the Enforcement Committee, if any, for any construction or other work to be performed by or on behalf of the Declarant in the Property and (b) nothing contained in this Declaration shall be construed to prevent or limit (i) the Declarant’s exercise or enjoyment of any Special Declarant Rights or any other right of the Declarant under this Declaration or (ii) the conduct by the Declarant or its employees or agents, as applicable, of any activity, including, without limitation, the erection or maintenance of temporary structures, trailers, improvements or signs, necessary or convenient to the development, construction, marketing or sale of the Property or any other property. ARTICLE 10. DISCLOSURES

Section 10.1 *No Liability for Condition of the Property/Nuisances/Hazards Associated with Adjacent Lands.*

By purchasing a Lot, or any portion thereof, each Owner acknowledges that the Lot may be located adjacent to or in relatively close proximity to property utilized for commercial and other non-residential uses (collectively the "**Adjacent Properties**") and further the Lot may be built on land affected by amendment to the land or soil conditions (including expansive soils corrections) resulting from construction, engineering, grading, and soil preparation. Owners recognize and assume the risks of owning property adjacent to or within relatively close proximity to the Adjacent Properties and the risks of the condition of the land and soils. Such risks include, without limitation: (i) expansive soils conditions and drainage issues on or under the Property and (ii) injury to person and property arising out of, or resulting from, the operation, maintenance and use of the Adjacent Properties, noise associated with the Adjacent Properties, noise, odors, and attractive nuisances to children (all of the above being collectively referred to as the "**Property Risks**"). The Released Parties shall have no liability for any personal injury or property damage resulting from the Property Risks. By virtue of taking title to a Lot subject to this Declaration, each Owner for itself and its heirs, personal representatives, executors, tenants, successors, assigns, invitees and licensees: (i) assumes the risk of loss, injury or damage to property or persons resulting from the Property Risks; (ii) agrees to obtain such policies of insurance as may be necessary to insure such Owner and Occupant from injury or damage to

property or person resulting from the Property Risks; (iii) releases and holds harmless the Released Parties and discharges the same from any liability for any personal injury or property damage resulting from the Property Risks, including, without limitation, arising from the negligence of the Released Parties, and (iv) indemnifies (including the payment of reasonable costs and attorneys' fees) the Released Parties from and against any claims, actions, suits, demands and compensations, either at law or in equity, brought against or incurred by the any of the Released Parties for or on account of any damage, loss, or injury either to person or property, or both, resulting directly or indirectly from any of the Released Parties.

Section 10.2 *Land Use Documents.*

The Property is being developed in accordance with the land use regulations of Jefferson County, Colorado. The Declarant, for itself, its successors and assigns, reserves the right to obtain modifications and amendments to all land use documents, subject to the approval of Jefferson County, Colorado. Such modifications and amendments could change the uses of the Property and adjacent and nearby land from the uses which are set forth in the land use documents. The Declarant makes no warranties or representations whatsoever that the plan presently envisioned for the Property can or will be carried out, or that any such land, whether or not it has been subjected to this Declaration, is or will be committed to or developed for a particular use, or that such use will continue in effect.

Section 10.3 *Future Development and Views.*

Owners acknowledge that existing views, if any, of the immediate and surrounding areas and mountains may be subject to change or elimination as a result of future development of non-residential and residential uses, road construction, tree growth and landscaping. The Declarant and/or Builders may charge premium prices for similar houses or lots depending on a variety of factors, which may include location, lot size, cul-de-sac frontage, solar orientation or proximity to open space. The market value of these factors may be subjective. No Builder is authorized to represent a premium price as a "view" premium. Neither the Declarant nor the District assumes any responsibility for any representation or promise made by a Builder, sales counselor, independent broker or other agent or employee of a homebuilder with regard to premium prices. Each Owner acknowledges that development within and surrounding the Property may continue for an indefinite period, and that plans for the density, type and location of improvements, developments or land uses, may change over time. Such development may entail changes to or alterations in the access to the Property, views of or from the Property, the Lots, surrounding land uses, open space or facilities, traffic volumes or patterns, privacy or other off-site aspects or amenities. Development also may entail noise, odors, unsightliness, dust and other inconveniences or disruptions. By accepting a deed to a Lot, each Owner accepts title to such Lot, as applicable, subject to the foregoing, and waives and releases any claim against the Declarant or the District arising out of or associated with any of the foregoing.

Section 10.4 *Separate Ownership of Surface and Subsurface Rights.*

Ownership of subsurface rights, including mineral rights, oil, gas, and other hydrocarbons, underlying the Property may be separate from surface rights. The owners of such

mineral rights, oil, gas and other hydrocarbons and their successors, assignees and lessees reserve the right to exercise all rights of exploration, extraction and removal of the same as allowed by applicable laws.

Section 10.5 *Safety and Security.*

Each Owner and Occupant is responsible for their own personal safety and the security of their property in the Property. The District may, but shall not be obligated to, maintain or support certain activities designed to enhance the level of safety or security in accordance with applicable law. Neither the Declarant nor the District shall in any way be considered insurers or guarantors of safety or security within the Property, nor be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken.

Section 10.6 *Disruption from Development and Construction.*

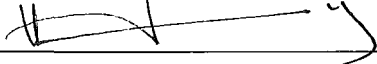

Each Owner agrees that there are inconveniences which will accompany the construction of Improvements within the Property, including, without limitation, construction noise, portable toilets, construction traffic, uncompleted buildings, areas not landscaped, potholes and construction supplies stored in plain view and general inconvenience associated with construction sites and related issues. Each Owner, by taking title to any Lot, waives any claims associated with the inconveniences, nuisance and hazards associated with such construction.

Section 10.7 *View Impairment.*

Neither the Declarant nor the District or a Builder guarantee or represent that any view over and across the Lots or other Improvements, or that any open space will be preserved without impairment, nor is there any obligation to relocate, prune, or thin trees or other landscaping. The Declarant and each Builder has the right to add trees, walls, fences, berms, or other structures, signs, lighting, water features and other landscaping from time to time, without regard to any view impairment. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.
